### WOULD PROBE LEGION CLAIMS

International Association of Rotary Clubs, Shooked at Reports, Orders Nation-Wide Survey.

Aroused by charges of the American Legion that the government has failed in its duty toward disabled veterans of the World war, the board of directors of the International Association of Rotary Clubs has ordered a nation-wide survey of the situation "to prove whether American Legion reports are based on hysteria or upon actual facts."

The Rotary organization has endorsed the Legion's consolidation program for the relief to the disabled and will support the Legion's efforts to obtain its enactment into law, according to Chesley H. Perry of Chicago, secretary-general of the Rotary clubs' organizations.

"The 50,000 American business and professional men who form the 500 Rotary clubs of the United States, have started out to gather the actual facts in their respective communities with regard to the manner in which the United States government is handling the cases of disabled ex-soldiers," Mr. Perry stated in a letter to F. W. Galloway, Jr., commander of the Legion.

"The Rotarians have been shocked by the disclosures made by the American Legion regarding the rehabilitation of Uncle Sam's disabled ex-servicemen. Each Rotary club is appointing a special committee to investigate conditions in its community and report to the club. Every club will then report to the headquarters office of Rotary in Chicago. The result will be that from 800 communities in every part of the United States will come evidence of business and professional men to prove to the American people whether or not the American Legion reports are based on hysteria or upon actual facts so revolting and heart-rending as to cause the whole American people to rise in their might and do justice to the men who sacrificed themselves for their country."

The Legion's national commander asserted that his organization will welcome the Rotary investigation.

"I hope its findings will be given the widest publicity," he said. "It will be found that the Legion has not overstated the case in any particular."

### LEGION MAN IS LEGISLATOR

California Member of National Executive Committee Also Serves as Maker of Laws.

Although he was forty-one years old when the World war started, Charles H. Kendrick of San Francisco, Cal., member of the national executive committee of the American Legion, served with distinction in the army, and was cited by General Sumnerall, commander of the Fifth Army corps, for display of exceptional devotion to duty while under bombardment by the enemy's guns during the Meuse-Argonne offensive.

Mr. Kendrick was educated in the public schools of San Francisco and is engaged in the selling of real estate and development of agricultural lands. Commissioned a captain in the Reserve service in August, 1917, Mr. Kendrick trained at Camp Dix, N. J., and was sent overseas in July, 1918, attached to the Twenty-sixth division as regimental officer. He served with that division during the St. Mihiel drive, and at the opening of the Meuse-Argonne push was made regimental officer of the Fifth Army corps. After the armistice he was promoted to major and discharged from service in February, 1919.

Mr. Kendrick's devotion to Legion affairs during the time he was a member of the state executive committee led to his selection as representative of California on the national body.

**Press Women Are Interested.**  
The Women's Press club of New York city has become interested in American Legion welfare work and has adopted a ward at Fox Hills hospital, Staten Island, New York, containing 65 disabled veterans. The club's committee visits the hospital twice a week supplying the men with articles of clothing, tobacco and reading matter. An idea spawned by the club of providing "gardenettes" or window boxes for the various hospitals where ex-servicemen are being treated has become popular with relief organizations. The school children of Leonia, N. J., collected funds and bought a window box for the hospital.

**Virginia Auxiliary Convention.**  
The first convention of the Women's Auxiliary of the Virginia Department of the American Legion will be held May 13 and 14.

### BIG CHIEF IS LEGION BOSS

Only Full-Fledged Indian at Head of an Ex-Servicemen's Organization in America.

Maj. A. B. Welch of Mandan, N. D., is the only full-fledged Indian chief and commander of an American Legion post in America. He is wearing the official dress of a head chief of the Sioux, which he was authorized to assume when he was adopted by their great chief, John Grass, many years ago. He is now the duly elected chief of the Sioux, in addition to his duties as commander of the Gilbert S. Furness post of the Legion at Mandan.

A veteran of the Spanish-American war and a participant in the Mexican border expedition, as well as an authority on customs, sports and ceremonies of the Indians, citizens of North Dakota were eager that Major Welch should lead a battalion of Indians to France. Major Welch volunteered to do so, but his offer was refused by the War department.

Nevertheless, a number of Indians were included in the detachment of men which Major Welch took to France in December, 1917. He served upon the staff of Gen. Hunter A. Liggett and on Armistice day was with the artillery of the Third division, south of Sedan. When he arrived in Germany he was named as officer in charge of civil affairs in the Calenz area, which position he held until the divisions came back to the United States in September, 1919.

During the Philippine insurrection Major Welch was a participant in the

MAJOR A. B. WELCH.

capture of Pano, Morong and other towns along the shores of Laguna de Rabin, including the important city of Cebu.

Major Welch and state officials of the Legion will speak at funeral ceremonies for Albert Grass, grandson of Chief John Grass, who was killed in action near Soissons. The Indian hero, who went overseas with Major Welch, will be buried at Cannon Ball, N. D., with the full tribal rites of the Sioux Nation.

### BIG MEN AS LEGIONNAIRES

Pershing and Wood Are Numbered Among Members of Posts of Ex-Servicemen.

The American Legion has represented in its membership not only the first and last men to enlist for the World war, but also two of the best known military leaders in America, Gen. John J. Pershing and Maj. Gen. Leonard Wood.

Two Legion posts assert that General Pershing belongs to their organizations. They are the George Washington post No. 1 at Washington, D. C., and Lincoln (Neb.) post No. 1. General Pershing was considered for the nomination of national commander of the Legion, but declined to allow his name to be presented because of his military duties.

General Wood is a member of General George B. Crook post No. 434 of Chicago. He has spoken at a number of Legion conventions in many parts of the country and has been an active worker for the interests of the ex-servicemen's organization.

### NAME LEGION POST FOR HERO

Connellsville (Pa.) Organization Honors Memory of Milton Bishop, One of Its Dead.

Ever mindful of their fallen comrades in France, members of the American Legion have named the greater part of their posts in honor of men who made the supreme sacrifice.

When a post of the Legion was organized at Connellsville, Pa., it was named Milton Bishop post No. 301, in commemoration of the heroism of the heroism of

Mr. Bishop, who was killed in action.
